AGENDA

- 4:00 Welcome, Introductions, Review of Agenda
4:10 Finalize Meeting Ground Rules
4:15 Welcoming remarks by Chester R. Jourdan, Jr., Executive Director of MORPC
4:20 Brief Review of Balanced Growth Planning Process
4:25 Introduction to Priority Conservation Area (PCA), Priority Development Area (PDA), and Priority Agricultural Area (PAA)
a. Generally defining a Priority Conservation Area, Priority Development Area, and a Priority Agricultural Area.
b. Steps to identifying these areas
a. Define what the areas are i.e. what it means to be a PCA, PDA or PAA
b. Identify criteria that will be used
c. Define each criterion and identify a data source
d. Determine how criteria will be weighted
e. Develop initial maps based on criteria and data
f. Finalize maps
4:35 Review of the definitions and criteria past watershed partnerships used to designate an area as PCA, PDA, or PAA (including why some included PAAs and others did not)
4:50 Goal Statement - Do we want one, and if so, what should it say?
5:10 Do we want to designate Priority Agricultural Areas?

- 5:15 How do we define:
- a. PCA
 - b. PDA
 - c. PAA (if selected)
- 5:45 Process and timeline for establishing PCA, PDA, and PAA definitions
- a. How will we identify the priority area criteria?
 - b. How will we define each criterion and identify a data source
 - c. How will we determine how criteria will be weighted
 - d. Establishing a timeline for answering these three questions
 - e. Establishing a timeline for the selection of PCAs, PDAs, and PAAs (if selected)
- 5:55 Next Steps and Upcoming Meetings
- 6:00 Adjourn
